State Recognized Shelby County Safety Council Information Sheet

What is the Shelby County Safety Council? The Shelby County Safety Council is a program of the Bureau of Workers' Compensation Division of Safety & Hygiene and the Sidney-Shelby County Chamber of Commerce.

The Division of Safety & Hygiene is funded by a small portion (1%) of employer Workers' Compensation premiums. The funding provides for a number of direct and indirect services available to employers. The goal of the Shelby County Safety Council is to help reduce employers workers' compensation premiums by enhancing worker safety and health.

Membership in the Shelby County Safety Council enables organizations to take advantage of the savings afforded by eliminating or reducing workplace injuries and illnesses. Participation will show safety leaders how to increase productivity, improve morale and impact their company's bottom line.

When/Where Does the Council Meet? Monthly meetings are held the first Wednesday of each month from 12:00 noon - 1:00 p.m. at Wilson Memorial Hospital's Professional Building. Reservations are required and can be made by calling the Chamber of Commerce at 492-9122 or e-mailing Dawn Eilert at deilert@sidneyshelbychamber.com several days prior to an upcoming meeting. Meeting reminders will be sent to members via e-mail approximately two weeks prior.

What are the Annual Dues? Dues are \$120.00 for Sidney-Shelby County Chamber of Commerce members and \$250.00 for non-Chamber members. Dues pre-pay meals for **one** attendee (of company's choice) to attend all meetings for one year (12 meetings) as well as the Annual Awards Banquet. The Shelby County Safety Council year runs from July 1 of the current year through June 30 of the following year. Guests may attend any meeting at a cost of \$8.50 (unless otherwise noted). Checks should be made payable to: Shelby County Safety Council.

Are there requirements? Members are required to fill out a new enrollment form and complete two semi-annual reports annually (January & June). The new enrollment form is returned to the Sidney-Shelby County Chamber of Commerce to be sent on to the Division of Safety & Hygiene. The council receives funding from the Division of Safety & Hygiene based on the number of companies that attend monthly meetings and submit both semi-annual reports. Blank semi-annual reports will be sent to members approximately three weeks before the due date. The Division of Safety & Hygiene reviews the semi-annual report forms submitted to determine the award winners in each of the following categories:

Group Award—Lowest incident rate in a group

100% Award—No lost time accidents in a year

Achievement Award—25% decrease in accident incident rate

Special Award—500,000 hours without a lost time accident.

All awards are presented at the Annual Awards Banquet in April.

Please call the Sidney-Shelby County Chamber of Commerce office with any additional questions, 492-9122.
